Please find below a communication from the EXAMINER in charge of this application

Commissioner of Patents

The reply filed on March 26, 2001 is not fully responsive to the prior Office action because of the following omission(s) or matter(s): Applicant's have amended the sequences to recite the amino acid sequence set forth in SEQ ID NO: 1. However, while Applicant's paper copy of the sequence recites an amino acid sequence, Applicant's electronically submitted version of the sequences recites a nucleic acid sequence as SEQ ID NO: 1. Appropriate correction is required.

Since the above-mentioned reply appears to be *bona fide*, applicant is given a TIME PERIOD of ONE (1) MONTH or THIRTY (30) DAYS from the mailing date of this notice, whichever is longer, within which to supply the omission or correction in order to avoid abandonment. EXTENSIONS OF THIS TIME PERIOD MAY BE GRANTED UNDER 37 CFR 1.136(a).
